Thai Vascular Association
TVA – International Vascular Conference 2026

Dear Dr. Takahiro Imai,

On behalf of the Thai Vascular Association (TVA), the Thai Venous Forum (TVF), and the Organising Committee of the **TVA – International Vascular Conference 2026**, it is our great pleasure to invite you to participate as an International Faculty at our conference, which will be held on the 21st to 23rd of October 2026 in Bangkok, Thailand.

We would be honoured by your participation in the following scientific and educational activities:

Wednesday, 21 October 2026

- Arrival in Bangkok
- Airport pick-up and transfer to Theatre Residence Bangkok
- Hotel check-in with late check-out until 14:00 hrs.

Thursday, 22 October 2026

Participating as an international faculty in the live case transmission from Siriraj Hospital

- 8:00–9:00 Brief meeting with the organising committee to discuss the live cases
- 9:00 Total EVLA (Laser Crossectomy, Laser Phlebectomy, and Laser-guided Perforator Ablation)
- 13:00 Faculty Lunch with the Organising Committee
- 14:00 Check-in at Shama Petchburi 47 Bangkok

Friday, 23 October 2026

Delivering lectures in the Venous Disease Session at the TVA – International Vascular Conference 2026:

- 13:00–13:10 NARA Socks Project in Japan
- 14:00–14:25 Total EVLA: How I Do It? (including Laser Crossectomy, Laser Phlebectomy, and Laser for Perforator Ablation)
- 18:00 Faculty Dinner hosted by the Thai Venous Forum

As our invited International Faculty, the Organising Committee will be pleased to provide:

- **Round-trip economy class airfare**
- **Hotel accommodation during your stay in Bangkok**
- **Airport transfers (arrival and departure)**
- **Local transportation related to the conference programme**

Your expertise and longstanding contribution to venous disease management will be greatly appreciated and will undoubtedly enrich the scientific value of our conference.

We sincerely hope that you will accept this invitation and look forward to welcoming you to Bangkok in October 2026.

Yours sincerely,

Assoc. Prof. Khamin Chinsakchai, MD
Chairman, Scientific Committee
